crimcyan.: I want to build a baja bug
crimcyan.: Nah 2.5
ren71: Eww, I'm sorry.
crimcyan.: I want to do a vw tdi swap or a om617
ren71: Hmmm.....
ren71: *thinking, recalling TJ specific stuff*
crimcyan.: The thing has been fine, it has a upgraded cam in it so it has more torque then stock
ren71: Is Chrysler engine, so, no easy swap to v6.
ren71: Older had AMC engine
ren71: Actually, I want to say you can Sebring swap.
crimcyan.: This is still the amc 4cyl
ren71: Is it, now?
crimcyan.: Its a 98
crimcyan.: The 2.4 is the chrysler
ren71: Well.... GM 3.1 or later "F" body engine mounts.to bell..
ren71: Want to say 3.8 "F" body- NOT Buick!!!!!
ren71: Problem is, AX5 might not like the bigger V6, so 3.1?
crimcyan.: The thing has probably 200,000 km on the engine so it's pretty tired for a engine that
crimcyan.: Id need the ax15 for a swap
ren71: 5.13 gears would help.with larger tires.
ren71: So, TJ or XJ with HO.
ren71: 4.0 or similar at that point.
crimcyan.: But I'd should probably replace the transmission anyways if swapping because it does
ren71: Yours is auto, currently?

crimcyan.: Standard
ren71: AX5, then
crimcyan.: Yeah
ren71: Nice thing- 4.0 is everywhere. Bad thing- most are worn out by now.
ren71: So, stroker...
ren71: Should have 4.10 gears from factory, also.
crimcyan.: Yeah, I really want to go diesel with it
ren71: Should be easier for you, being in Canada.
ren71: BT4 is a heavy, heavy bitch...
ren71: And, would require a much stouter transmission
